

Figure 1: Silverstone

Silverstone

Tips for Every Practice

- Count your corners out loud

Corner 1: Copses

Notes: None

Braking Reference: Just before the 50

Corner Entry Notes: You should have 2 wheels over the left curb, brake and turn in immediatly.

Apex Notes: Roll off brakes just before Apex, tires fully over the right curb

Exit Notes: Just after apex get back on gas and slide out to left edge.

Corner 2: Maggots

Notes: It's a compound corner/jog. Use the curbs as much as possible

Braking Reference:

Corner Entry Notes: Enter from the far right, then use all of left curb. Dab the brakes to come back to right curb.

Apex Notes:

Exit Notes: Try to exit tight in the middle of the track, not the left to setup for Becketts

Corner 3: Maggots
